An Equal Opportunity Employer

Dear Residents,

This letter is to inform you that HEI Civil will have subcontractors on site that will be performing concrete and asphalt repair operations in your area beginning in March 2024. This work is expected to be completed within 30-45 days, weather permitting.

These operations will consist of crews with small equipment removing curb/gutter and sidewalk in marked areas and pouring back new. This will temporarily affect certain homeowners and community sidewalks for 48 hrs. to allow minimum curing time for concrete.

Asphalt work will consist of mill/overlay and infrared work, which will have minimal impact to traffic in the neighborhood.

Efforts will be made to inform homeowners directly impacted by the work with a minimum of 24 - 48 hrs. notice.

We apologize for any inconvenience and appreciate your understanding while we complete this work.

Please contact Bear Benson with any questions or concerns.

Sincerely,
Bear Benson
HEI Civil
Project Superintendent
